1. How to register

To submit a review, it is necessary to register first. Go to https://www.jcsm-journal.de/JCSM/user/register and create an account.

As a username, we suggest using the first letter of your first name and your full last name:
For example: John Doe → username: jdoe
2. Overview of the general functionality of the website

This is the webpage ("dashboard") where you will find all the necessary functions to submit your review. To return to the dashboard, click on Submissions on the left side.

When you click on the button Tasks, you find a space to manage all the tasks related to your submission.

In the tab My Queue you can see all the manuscripts assigned to you and keep track of the due dates.
Archives: This tab provides information about any submissions that have been published or declined, i.e., these submissions are no longer undergoing the editorial workflow. With the help of the search option, you can find submissions (for example by title, authors etc.).

The button **View Site** leads you to the journal homepage.

To go back to the dashboard, click on your username and then on Dashboard.
3. How to submit a review
